# TRAUMA REHABILITATION PROGRAM

Eden Private Hospital offers a structured yet personalised approach for a smooth and safe recovery from your trauma injury or event.

Your program will be personalised and tailored to your needs and includes: physiotherapists, occupational therapists, exercise physiologists and psychologists under the direction of your rehabilitation physician and in consultation with your referring specialist and GP.

The programs aim is to work with you and get you to your optimal functioning as quickly and smoothly as possible.

---

## Program structure

- Two to three hours of therapy

---

## How to access the program

Ask your GP or Specialist to refer you to Eden Private Hospital's Trauma Rehabilitation Program.

The program is available through your private health fund, DVA, Home Care Package, NDIS or can be self funded.

Please call 07 5472 6472 and ask to speak to our Day Programs Manager to discuss your needs.
